Sony Ericsson Z300i

Price: rrp \$189

Talk about bling bling. The Z300i maybe be an entry-level phone, but it doesn't have to look like one. It comes with adhesive crystals so mum can personalise it to her heart's content.

Jabra BT160

Price: rrp \$80

Mum can ditch her boring silver and black Bluetooth mobile phone headset in favour of this much more funky one. It comes with 33 choices of faceplate design. Now mum can match her headset with her shoes and handbag.

PIX sports

Price: rrp \$65

PIX is six gadgets in one. It is a watch, stopwatch and pedometer, as well as being a message display, motion response display (for timing movements) and bike light.

Ceramic white PSP

Price: rrp \$400

Released this week, this ceramic white PSP is identical to its popular predecessor, except for its colour and a minor firmware upgrade. As with the original black PSP, this paler and more feminine-looking version handles digital music, video and photos — and also plays games and allows you to surf the internet.
